

# Township of Athens, Ontario

## Fire Department

### Carbon Monoxide Safety Campaign 2017

## Did You Know ?

1. Carbon Monoxide is called a "Silent Killer" because it can't be seen, can't be smelled or can't be heard!!!
2. Over 80% of Carbon Monoxide deaths in Ontario occur in the home!!!
3. Carbon Monoxide detectors are now the LAW in Ontario if you use fuel burning appliances or have an attached garage!!!

**Your Fire Department is pleased to offer Combination Carbon Monoxide/Smoke Detectors\*\* to the residents of the Township of Athens**

\*\* limited quantity available. While Supplies last \*\*

### Here's How to Get yours!!

Receive a combination CO/Smoke Detector, installed, absolutely free!

#### Sign up for a free home safety inspection

Members of your FD will conduct a friendly, non-binding safety inspection of your home. At the end of the inspection you will receive some friendly advice on how you can make your home a safer place and they'll install your new CO/Smoke detector for you!

Inspections will take place starting in February 2017

Here's how to register for your free home inspection and CO/Smoke Detector:

#### Fill in the form below and:

1. Email the information to [athensfireprevention@icloud.com](mailto:athensfireprevention@icloud.com)
2. Bring this ad to the Township of Athens Municipal office and a member of the department will be in contact with you

Name: \_\_\_\_\_ Contact phone number: \_\_\_\_\_

Street address: \_\_\_\_\_

Home is heated with: \_\_\_\_\_ Attached Garage: Y / N

**Beat the Silent Killer**  
Stay safe from carbon monoxide.

Ensure all fuel-burning appliances in your home are inspected annually.

Install and regularly test carbon monoxide alarms.

**Signs of carbon monoxide poisoning**

Headaches   Nausea   Dizziness   Breathlessness   Collapse   Loss of consciousness
